Statement by the Liberal National Party

The Liberal National Party remunerates Campbell Newman through a monthly payment of \$12,000 plus GST of \$1,200.

It should be noted that payments to the Leader as at 30 June have been declared to the Electoral Commission and will be released on 8 October. This declaration will show payments to that date were \$26,400 including GST.

This is paid by the LNP from its general activities and is not donor specific.
